50+ MIXED CURLING LEAGUE

News & Notes

There is snow on the ground and the curling season is in full swing. Our club's focus is on safety, fellowship and fun for all of our members. With that in mind, we have a number of upcoming activities and promotions. We also recently held our successful flu clinic with 118 vaccinations!

Safety Program

SAFETY has become a real concern this season, with too many on ice falls, often with serious consequences. Injuries and injury prevention continue to be major topics for our members and this executive. As part of our Safety on the Ice initiative, we are introducing new 50+ Member Safety REBATES! We are offering up to $10 in REBATES for our members, for purchases of grippers, shoes and helmets from the SACC Pro Shop from November 1 to December 19, 2019!

Christmas Party

This year's Christmas Party will be held on Saturday, November 30th. Tickets are $30 for members and $35 for non-members. Your ticket includes a turkey dinner, one free drink and a dance with the Black Key band. Everyone is encouraged to bring a wrapped gift as a door prize. Tickets are available from Daun Wilton on curling days.

Turkey Shoot

We will be holding our annual turkey shoot on November 25th, 27th, and 29th at 11:00 am each day. We will not be having a turkey shoot on Tuesday due to the tight scheduling for the ice. Tuesday curlers are encouraged to participate on Monday, Wednesday or Friday. Tickets are $2 per shot (maximum 2 shots per day) with three cash prizes each day. We will need 7 volunteers each day to assist with the ticket selling and on-ice measuring and organization. Let a member of the executive know if you can help.

Stick Curling Bonspiel

The stick curling bonspiel will be held on December 12 & 13. The event is full, but we are still looking for teams on the waitlist and individual spares. Historically, we've had some late cancellations, so there is a good chance you will be curling! Contact Brian Harvie to register.

Health and Wellness

We extend our best wishes to any members who are feeling under the weather or caring for loved ones. In particular, Frank Lane who had a dangerous fall, Dave Elaschuk who is beginning his treatments, Randy Olson recovering from surgery and Don Beer who lost his wife last month. If you know of someone who could use some cheering up, please call Dave E (780-419-3371) so he may reach out on our behalf.

Spare Coordinators

There have been a number of occasions already this season where teams have had to play short because curlers did not advise their spare coordinators of their absence. Please contact your spare coordinator to obtain a spare if you will be unable to make a scheduled game.
