What's in store for us this year?

This year, with covid restrictions lifted, we are going all out! No cap on the number of guests and tables will be set to eight (8). We will be having a wonderful feast of turkey and ham, stuffing, mashed potato, gravy, salad, bread and desert. The Black Key Band will entertain us with live music, if you want faster or slower music, just ask the guys, they are happy to accommodate. We will have door prizes and table center piece giveaway, raffles, and prizes! Where else can you be fed, entertained, and leave with prizes all for under 50 bucks a person?

Can I register more than one person?

Yes! When you get to the registration page, click the register group button. You will be asked for the number of registrants – enter the # and click next and you will see the member info section pop up. Enter info for each person.

Where do I input dietary restrictions?

In the Member information section, please indicate any restrictions you may have – we will do our best to accommodate you.

Billing Information

I want to reserve a table – how do I do this?

In the billing information, there is an area where you can put your request. You can reserve a table of 8 - but please let the rest at the table know to all use the same name to reserve. Once we receive all the registrations for that table, you will be notified of a table number.

What are my options for payment?

You can pay online using your VISA or Mastercard. **This is the preferred method**, as it makes reconciliation a lot easier for your social director. However, if you wish to pay cash / cheque (pay offline) please indicate this when you register. Just know that someone will be trying to get that money from you! You will be notified of who to pay. If, for whatever reason, you CANNOT register online – please let Sandra know ASAP. We will get you registered – no problem! sandra@fdisk.ca

Are you taking door prizes again?

YES! We love door prizes, the more the better! Please bring your wrapped door prize with you the night of the party or if you don't want to wrap it, you can leave it at the club in the bin in the locker room. We'll take care of the rest.

Will there be raffles and prizes?

Absolutely! Last year was a tremendous success as we had prizes that people could choose to win. This year we will do the same – get ready to do some Christmas shopping!

Do you need help?

Help is always welcome, please email Sandra, the Social Director if you want to help out! sandra@fdisk.ca

Can't wait to see you all there!
